

# FAIRLESS LOCAL SCHOOLS

June 2021

Fairless Families,

In order to ensure the safety and security of our students, FLSD will continue with a two-stop maximum for our students who are bused to and from school. These stops must be consistent, and not change. Our job is to make sure that we can safely transport students to where they need to be on a daily basis. This important task becomes very challenging when schedules are constantly changing.

Our transportation department will only provide busing for your child to the stop associated with their home address, and a second option (i.e. daycare, grandparent or babysitter).

This procedure was implemented in October 2018, and we had to adjust to one stop last school year due to COVID. We are returning to this two-stop maximum for the 2021-2022 school year.

Please contact the transportation office at 330-767-4259 if you have questions about this new policy.

Sincerely,

Broc Bidlack  
Superintendent

Valerie Wiles  
Transportation Director
